Map Creation Costs

Most of the maps we create are custom maps and are charged at a billable rate of \$65 per hour. If the client requests a copy of a map that has already been produced, a minimum charge or Production Fee will be assessed. Maps can be spray mounted onto foam board at an additional cost. Please note that the standard large map is 34" x 44" and the standard foam board available is 30" x 40". All requests for foam board should be made prior to printing the map so that the map can be laid out to fit.

	Annual Cost
Hourly rate for custom maps & products	\$65/hour
Production Fee/Minimum Charge (per Original)	\$32.50 each
To mount maps on foam board (includes 1 30" x 40" foam board)	\$42.50 each

Map Production Costs

All maps generated will include a Production Cost. This is to accommodate the specific nature of the request due to the many options available. Each cost is a per map cost. To mail out large maps, a mailing tube or bag is required and a one time fee of \$1.75 will be included with the postage.
